

SKINCARE IN FOCUS

490A THE ENTRANCE RD ERINA HEIGHTS PH: 02 4365 5999

As you are aware the salon is temporarily closed for treatments, however we are still here for all your skincare needs, advise and vouchers for special occasions. Iso doesn't mean that your skincare routine should stop, quite the opposite. Home care attributes to 80 % of your skin improvement and is boosted by your in salon intensive treatments, making home care vitally important. We will be contacting you over the next few weeks to answer any concerns you have with your skin or products. It's a perfect time to change and introduce new products into your routine. Make home care work for you by adding an intensive serum or a mask, the possibilities are endless.

We are here:
